

**“Sperry did what they said - and
I respect that in a company.”**

We had Sperry & Associates build our newest Wakulla Bank branch on Kerry Forest Parkway and we are very pleased in terms of quality and the way we were treated.

Working with our architect, Sperry set a production schedule and then delivered the finished building ahead of schedule. That was a nice surprise.

Sperry did what they said and I respect that in a company.

**Walter C. Dodson, Jr., President
Wakulla Bank**
